The background of the cover is a color photograph of Hinds Community College. On the left, an American flag flies on a tall pole. In the center, a brick building with a modern design and a set of stairs leading to an entrance is visible. To the left of the building, there are several tall, white, column-like structures. In the background, a stadium light tower rises against a blue sky with scattered white clouds.

Student Activities

One of the special qualities of Hinds Community College is the astounding number of things to be involved in. The wide variety of interests range from academic, to social, to athletic. Whether you enjoy discussing the election of Clinton, or shaking your body, it's here for you. While the service and social organizations serve the needs of many, some just create their own. Come see what we're up to.

Campus Life

Many students resided away from home for the first time in their lives. The new experience brought with it adjustments to behavior and initiative, as well as basic responsibilities like getting up on time for class, and coming home at a reasonable hour. Students in residence halls experienced a diversity of events and functions. Between Hiney-Ho Day, Southern Steel, and campus reconstruction, every day was different and exciting. During open dorm no one wanted anyone else to know what we were up to.

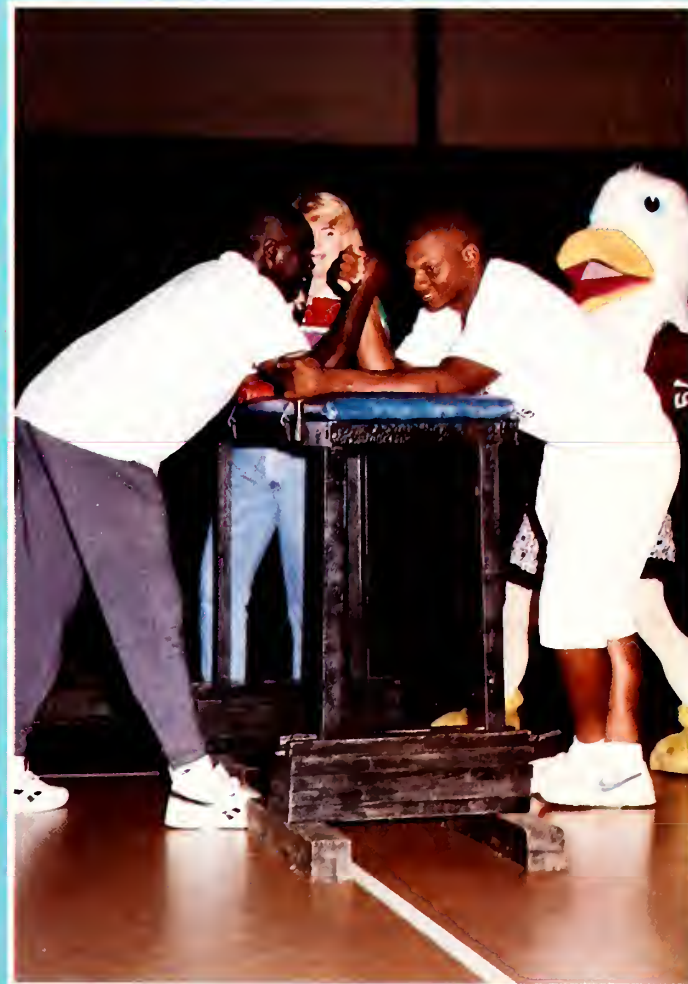

Spirit

We had a great year! Spirit was high at campus events. At ballgames the stands were full with spectators. Pep rallies were really rallies with the band, Hi-Steppers and cheerleaders always there to lead the crowds of students, parents and faculty. Other spirit was exhibited in the celebration of the College's 75th anniversary. This year we all came together to show what we're up to.

Athletics

Whether playing on one of Hinds' nine intercollegiate varsity teams, playing in an intramural game, or being a spectator at one of the games, sports activities are an important part of life at Hinds. Students enjoy sports in a variety of ways. Some choose varsity, others participate in the intramural activities, and still others become cheerleaders, managers, or spectators. Whatever the sport, there's always someone looking to see what we're up to.

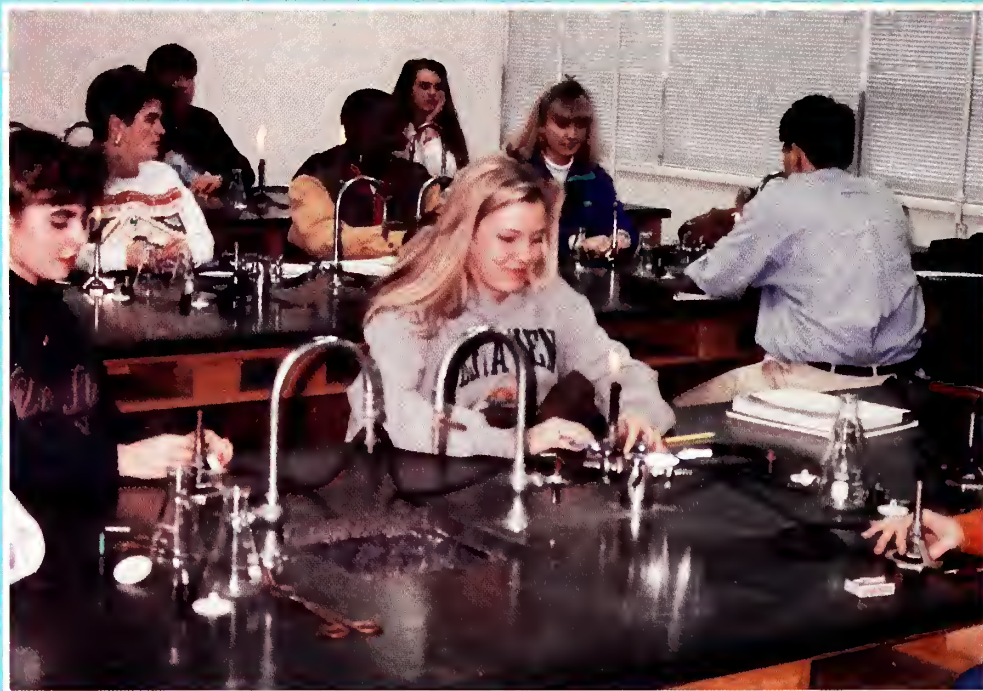

Friends

The freshmen arrived at Hinds with that nervous feeling in their stomachs; the sophomores anxiously returned to see old friends and make new ones. Whoever we are, we found lifelong friends and learned to overlook differences in personalities and lifestyles. It was up to friends to make those endless hours of classes bearable.

Classes

Many thousands of students went to class every day for the same reason — to further their education. Yet Hinds is more than a classroom. It is an attitude, a willingness to grow and achieve. As students reflect on their achievements in the future, the laughter and fun will always linger in their minds, especially when they remember what we we're up to.

Hinds

Look at what we're up to at Hinds! Yes, we will remember the classes and endless hours of study, but there will always be the memories of sharing ourselves with old and new found friends. We will remember showing our spirit at games and pep rallies and of course those wild nights out in the big city. There were a wide variety of athletics and activities that exposed us to a new world that we had become a part. But, we will definitely remember this as one of the best years of our lives.

Residence Life

Resident Advisors

RA stands for resident advisor, but what exactly is a resident advisor? Resident advisors are those students who check you into your hall at the beginning of the semester and the one who tries to keep you informed about the various resident hall and campus events. They must also keep students informed about campus rules and regulations and perhaps even sometimes write an incident report.

Allen-Whitaker

R.A.'s: Yashevia Banks, Hope Davis, Emma Miller, Tiffany Turner.

Hall Council: Wilhmenia Hall, Hope Davis, Leigh Ann Sutterfield, Pamela Johnson.

Allen-Whitaker Hall is a two-story, L-shaped, brick residence hall. It houses 111 freshman and sophomore women. The building is arranged in suites, accommodating four students. Two bedrooms are joined by a bath. The staff consists of the Hall Director, and four resident advisors.

Allen-Whitaker Hall was dedicated to Lola Allen and Fleta Whitaker on August 15, 1982. Lola Allen served Hinds as an instructor of accounting and in the business office from 1922-1966. Fleta Whitaker served Hinds from 1929-1960 as an instructor of Home Economics.

Main

First row: Stacie Penkova, Shirley Taylor, Stacey Stockwell. Second row: Cynthia Harvey and Jenee Coalter.

First row: Shirley Taylor, Brenda Fells, Bridget Jackson, Stacey Stockwell, Amanda Middleron, Dana Archley, Melissa Mitchell, Tracee Walker. Second row: Jenee Coalter, Christie Jackson, Jenna Holloway, Leslie Atherton, Stacie Penkova, Katie Taylor, Connie Deon.

Main Hall is the only original building still standing. Today the interior of Main Hall consists of modern decor, but the exterior remains identical to when it was built in 1917.

Four, seven, and eight person suites, arranged with upstairs bedroom/bath areas and winding stairwells that open to sitting rooms, house 94 women honors students. Adjacent to these gathering places are kitchenettes equipped with a refrigerator, microwave, sink, table, and chairs. Also located in the residence hall are two person bedrooms and private baths. The hall director, and four resident assistants, are on the staff at Main Hall.

MTV VIDEO MUSIC AWARDS

Van Halen and the Red Hot Chili Peppers swept the ninth annual MTV Video Music Awards on September 9, 1992, in Los Angeles, CA.

NORTH AMERICAN FREE TRADE AGREEMENT

President Bush and the leaders of Canada and Mexico participated in a ceremony in October 1992 to spotlight an agreement designed to create the world's largest and richest free trade zone. "This meeting marks a turning point in the history of our three countries," Bush said as Canadian Prime Minister Brian Mulroney and Mexican President Carlos Salinas de Gortari looked on. The three leaders watched as their trade ministers initialed the 2,000-page document that was negotiated in August 1992. Under U.S. law, Bush is prevented from actually signing the agreement until December 17. For the agreement to go into effect, it must be approved by the legislatures of all three countries. The NAFTA accord would create the world's largest free trade area by removing all trade barriers among the countries over 15 years. Bush says the agreement ultimately will create jobs in this country, but opponents said it could cost up to 550,000 U.S. jobs over the next decade.

1992 WORLD SERIES

There's a new flag flying over Canada — the World Series pennant. The Toronto Blue Jays took baseball's championship outside the United States for the first time ever, beating the Atlanta Braves 4-3 in 11 innings in Game 6. After surviving more ninth-inning magic from the Braves, the Blue Jays won it all — and lost their loser's label forever — when Dave Winfield's first World Series extra base hit scored two runs with two out. "It's been a long, hard battle," Toronto manager Cito Gaston said. "But I said from opening day, these guys have been focusing on this very thing." The Braves, meanwhile, became the first team to lose consecutive World Series since the 1977-78 Los Angeles Dodgers.

A cheering, chanting delirious sea of humanity flooded Toronto's city center on October 25. The glow from this win will keep Canadians warm all winter. "We stopped the chop," or "The chop stops here," shouted revelers referring to the Atlanta fans' ritual.

SOMALIA

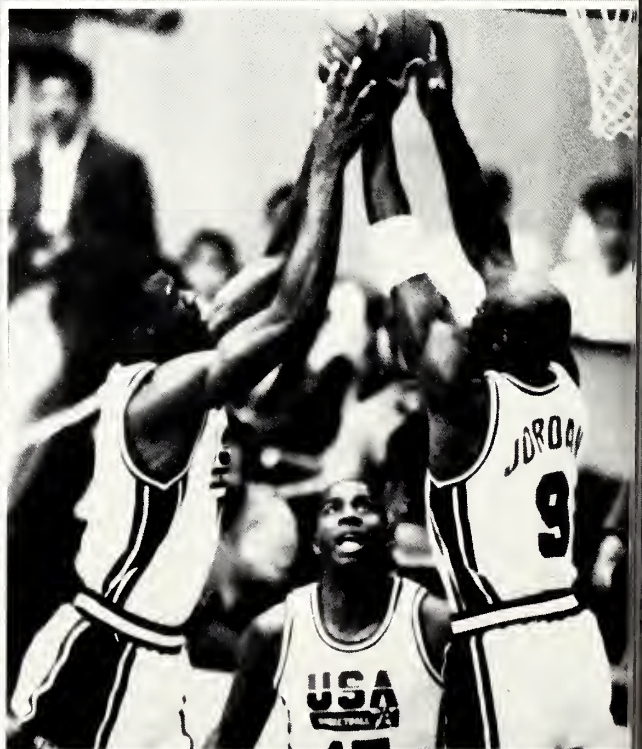

Three months after the world woke up to one of the worst famines in history, food started to reach hundreds of thousands of Somalis. Estimates of the dead range from 100,000 to half a million, but no one knows just how many have perished in the Horn of Africa nation.

The central Bay region of the country has been most affected. It served as the main battleground for clans fighting for supremacy after Siad Barre's ouster. Consequently, its harvests were most disrupted and its people most uprooted and displaced and left in great jeopardy.

More than a million Somalis have fled their homeland for refugee camps in neighboring countries with the wealthier ones seeking safe haven in Europe, the United States, Canada and elsewhere.

Central Somalia is where the international community has concentrated its relief efforts, with aid flowing to the towns of Belet Huen, Baidoa, Bardera and Hoddur, and airdrops to smaller villages in the region.

Many have died in the factional fighting that has driven the nation since former leader Siad Barre's ouster. Casualty estimates range from conservative figures of 10,000 to the 60,000 estimated by the human rights group Africa Watch.

1992 SUMMER OLYMPICS

An era of amateurism passed into an age of professionalism. The Olympics were transformed forever when pro athletes were allowed to compete in the '92 Olympics in Barcelona. Countering the attacks of commercialism, coach Daly said "The presence of pros could do nothing but enhance the event. There's 183 countries and 3 billion people watching these games. And somewhere out there is a 13-year-old who wants to be a Michael, Magic, Larry, or Patrick. That's the role of these games. That's what happens in all of these sports. It gives people a dream." The United States emerged from its 13-yr. Olympic funk, finishing four behind in the closest medals race since America won in '64 in Tokyo. Now it stands poised to rule the sports world in Atlanta in '96.

Tent cities were set up in Florida with room for 3,800 people.

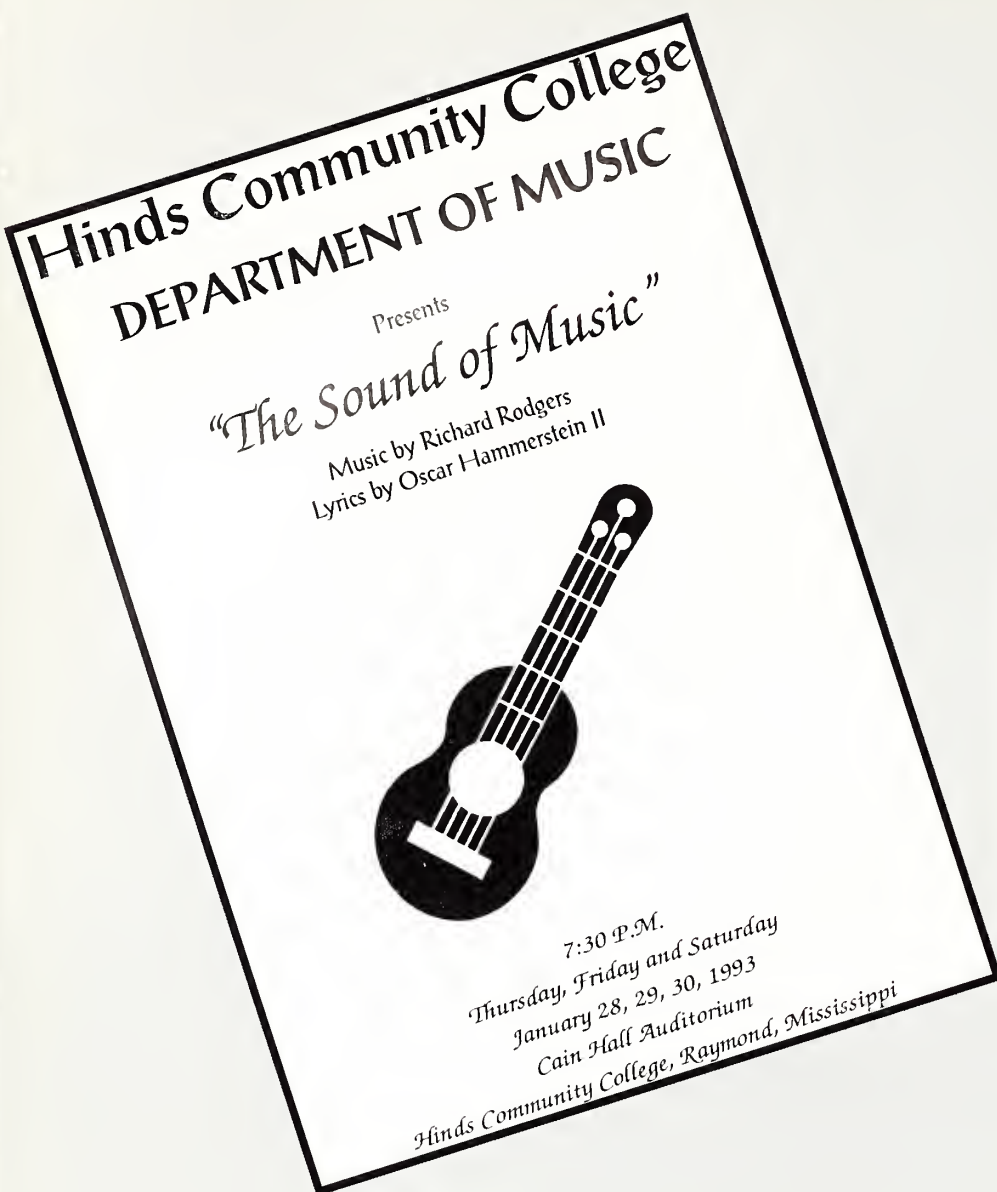

DEMOCRATIC NATIONAL CONVENTION

THE BREAK-UP OF YUGOSLAVIA

The territory of Yugoslavia for centuries was a battleground between the Austro-Hungarian and Ottoman empires. In 1918, the Kingdom of the Serbs, Croats and Slovenes was declared, and in 1929 it was renamed Yugoslavia. The new country was torn by demands for autonomy by Croats who opposed Serbian domination. Of the 24 million people living there, Serbs account for about 36 percent and the Croats for about 20 percent of the population. Other Slav groups are the Slovenes, 8 percent; and the Montenegrins, 3 percent. Ethnic Albanians make up 9 percent of the population. This ethnic diversity has been a source of strife for centuries. President Tito, who ruled from 1945 until his death in 1980, kept a tight lid on these internal ethnic rivalries. Since his death, however, central power has been eaten away by the feuding republics. Inhabitants of the territory are confronted daily by the shelling, sniper fire and death of war. They take to the streets during the occasional ceasefire, pushing and shoving, trying to buy bread and other staples necessary to live. The war has left thousands dead, has sent more than a million fleeing and led to the creation of dreaded detention camps, likened to those of Nazi Germany.

Escorted by more than 1,000 private boats, replicas of Christopher Columbus' ships arrived in the United States on February 15, 1992, as part of the 500th anniversary celebration of his voyage to the New World. Miami, FL was the first stop in a 20-city U.S. tour where more than 5,000 people cheered from docks and waterfront roads as the wooden reproductions of the Nina, Pinta and Santa Maria sailed into its harbor. Having toured Spain, France, Italy and Portugal, the ships crossed the Atlantic Ocean and visited the Dominican Republic and the Bahamas. The ships, christened in Spain in 1990, were built with the same materials carpenters used to build the original ships. Hand-forged nails were made after some recovered from a 16th century shipwreck. The sails are made of linen, the closest natural fiber to the original hemp canvas. From October through December, 1992, the ships are scheduled to stop in the California cities of San Francisco, San Luis Obispo, Los Angeles, San Juan de Capistrano and San Diego.

British Studies

Hinds Community College is the only two-year college that is a member of an academic consortium of several colleges and universities in the southern and southwestern United States supporting an international study program entitled the "British Studies Program." The British Studies Program is a residential summer session offered annually during July and August in London, England.

While allowing participants ample free time for independent travel, the session offers courses in Anthropology, Art, Clothing and Textiles, Community Health, Computer Science, Criminal Justice, Education, English, History, Hotel Restaurant, and Tourism Management, Journalism/RFT, Library Science, Music, Nursing, Philosophy, Psychology, Planning, Political Science, Sociology, Speech and Hearing Sciences, Theatre, and Business Courses.

In this program, the majority of onsite lecturing is coordinated by local British scholars, exposing students to leading experts in their fields. Five week and three week courses are offered. Financial aid is also available.

A mini-break is also scheduled to allow time for personal travel outside of London, along with low-cost optional day tours to general places of interest; Cambridge, Dover, Canterbury, Stratford-upon-Avon, Oxford, and Stonehenge are often included.

British Studies coordinator for Hinds is Britt Brown. She is also a Philosophy Instructor at Hinds and a Professor of Philosophy for the British Studies Program.

Hinds Men: The Ones to Watch!

The First Annual Most Handsome Pageant

The Marketing Management Technology Chapter of Hinds Delta Epsilon Chi presented the first annual Most Handsome Pageant in Cain Auditorium on Wednesday, February 26, 1992. The pageant was planned and organized by student committees which began work in November, 1991.

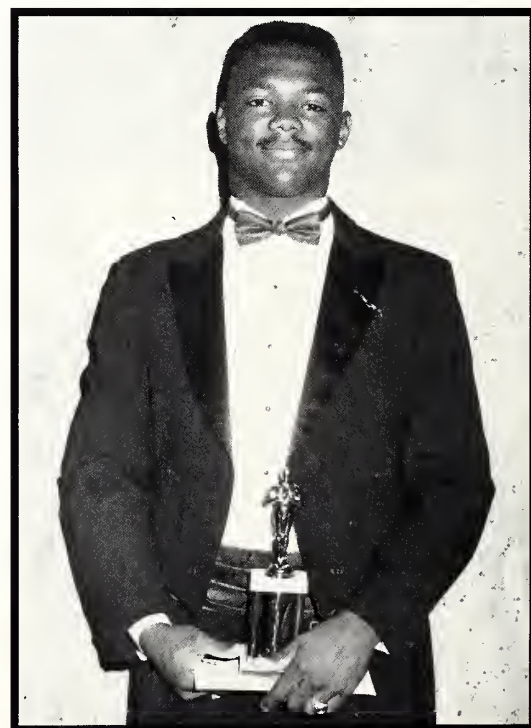

The title of the pageant was: Hinds Men: The Ones to Watch! There were fifteen contestants who vied for the title of Most Handsome. The contestants were judged in two segments: casual and formal. The points were then totaled and five finalists were announced. Daryl Owens, a DEX chapter member, was named 1992 Most Handsome for Hinds.

Above, HCC-DEX chapter members, Most Handsome contestants, and judges.

Most Handsome: Daryl Owens.

First Runner Up: Reginald Mangum.

Pageant judges (l-r) were Mark Ginn, Regina Brown, Wendy Boyd, Ann Westmoreland, and Nolan Clowers.

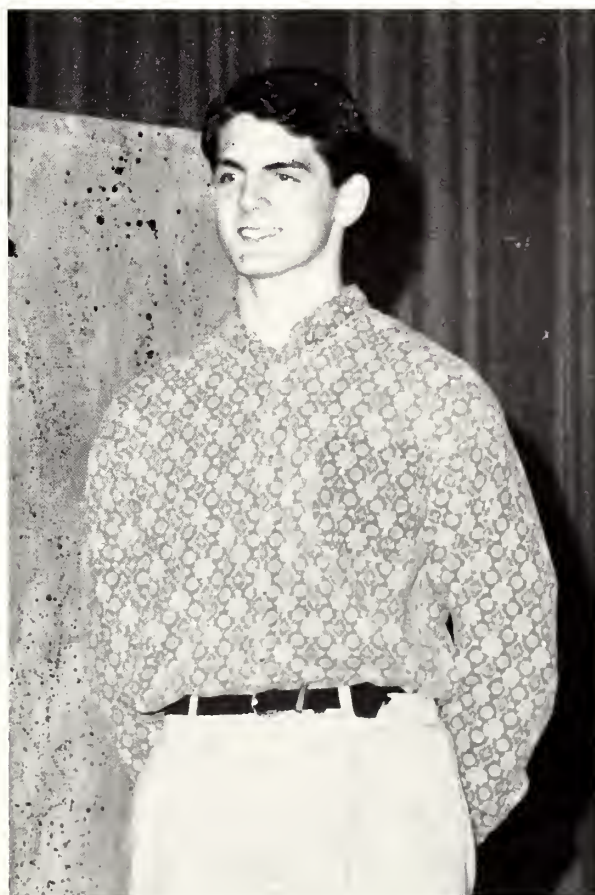

Second Runner Up: James Phipps

Third Runner Up: Shay Brown

Fourth Runner Up: Paul Kirpatrick

Mississippi and the Arts Week

The 1992 Mississippi and the Arts Week was celebrated March 16-20, to showcase Mississippi entertainers, artists, and authors.

This year's events were dedicated to retired Raymond Campus English department instructor and chair, Mrs. Anne Hardy.

There were readings by poet and essayist Dr. John Stone; lectures by Eddie Payton, former NFL athlete; Dr. Glen Eaves, dean and professor of history at Mississippi College; and Dr. Jim Lauro, an archeological consultant.

There were demonstrations by portrait painter Bill Wilson, musician and educator Dr. Patrick Houlihan, architect S. J. Tuminello, and ceramist, Ben Magee.

There were musical performances by a barbershop quartet, the YUBBIES (Young Urban Barbershoppers); and Mr. T and the Jazz Graduates (Toby Tenhet, Raymond Campus wind instrument instructor and a group including John Manchester, Bud Berthold, Howard Jones, Colin Hogan, London Branch, Jimmy Mullen, and Carey Smith).

... and dramatic performances by Jerry Salley, who took on the persona of Samuel Clemens (Mark Twain); and the Daughters of Margaret, who gave us "Herstory: Profiles of Women" (Rosia Crisler, Raymond Campus language instructor, and Virgia Brocks-Shedd, Gloria Winters, and Janice Neal).

All presentations were free and open to the public.

The Young Urban Barbershoppers (YUBBIES) sang.

Mrs. Anne Hardy, this year's dedicatee, reminisced about Hinds.

Jerry Salley gave us a "few minutes with Samuel L. Clemens."

Noted poet and essayist, Dr. John Stone, read from his work.

Eddie Payton, of the NFL, told how to be a real winner.

Bill Wilson demonstrated portrait painting.

Mr. T (Toby Tenhet, right) and the Jazz Graduates let it rip.

1992 Eagle Football

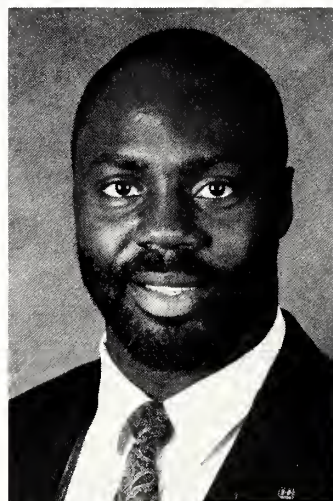

The Hinds Eagles finished the 1992 season with another successful year, 7-4, and their sixth straight appearance in the state playoffs. However, the Eagles lost their attempt for the chance at the state championship title game when they were defeated in the first round by the Rangers of Northwest Mississippi Community College 40-0. The Rangers finished with an 11-0 record and were ranked as the number one team in the nation for most of the season by the NJCAA.

They had a total of 1059 yards passing and 2181 rushing for the season, and Kentress Hampton led the team in touchdowns with a total of six for 36 points while kicker Chris Pierce led the team in total scoring with 43 points, 25 extra points and 18 field goals.

President

Under the leadership of Dr. Clyde Muse, who became president of Hinds Community College in 1978, Hinds has grown into one of the state's largest educational institutions with over 12,000 students and seven locations.

Dr. Muse has his own educational roots deep in the Mississippi community college system as a graduate of East Central Community College.

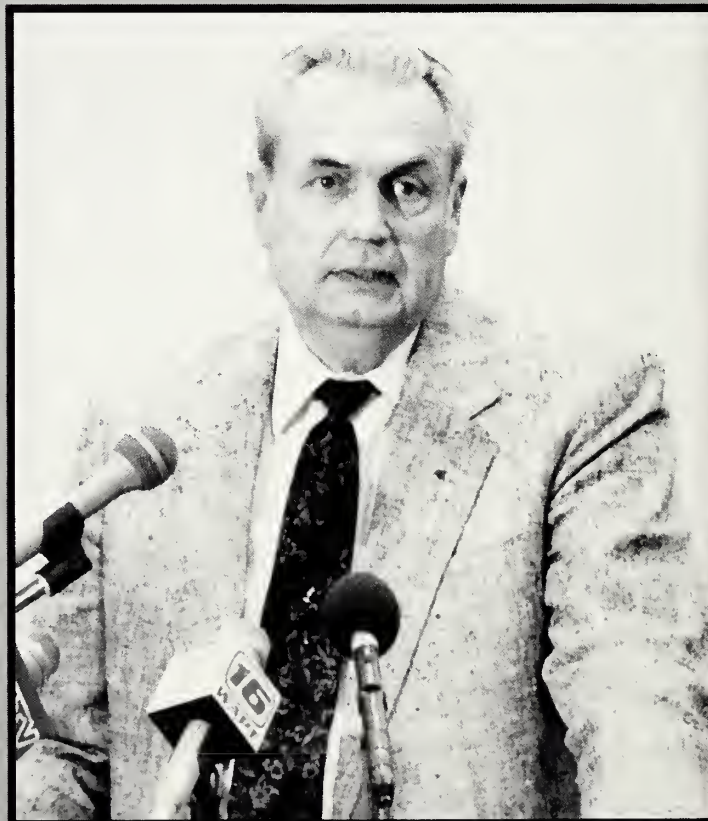

His progress, traced through further degrees from Delta State University and Mississippi State University, and his years as an educator and administrator in the state's public schools, to his being named Hinds president, can be seen as an inspiration to all community college students.

Not only is Muse an example of what young people of today can hope to achieve, but he understands their educational needs and their aspirations.

Muse's presidency entails not only the day to day administrative duties pertaining to the College, but he also acts as liaison with the state legislature and the HJCD Board of Trustees on behalf of the College. In addition, he and his wife, Vashti, enjoy another aspect of the job, which is to serve as official hosts for the College. This entails sponsoring a variety of functions which bring the College into closer contact with the community, and lending their presence and support to student activities.

Muse, a leader in many professional and civic organizations, has received many honors for his activities and achievements. Most recently, these include being named East Central Community College's 1991 Alumnus of the Year, and receiving the Mississippi Association of School Administrators' 1991 "Golden Lamp" Award.

Though the presidency of Hinds is a 24-hour a day job, Muse finds relaxation in doing some of his favorite things in his "off" hours — these include jogging on the Renfro Stadium track, gardening, and spending time with his family. He and Vashti have three children, Vernon, Julia, and Susan; and six grandchildren.

Dr. Muse announces a grant from the Kellogg Foundation to the news media.

Dr. Clyde Muse

Dr. Clyde Muse visits with East Central President Dr. Eddie Smith at the symposium "The Hour of Educational Accountability."

Dr. Muse visits with friends at the Neshoba County Fair as the Hinds Hi-Steppers entertain the crowd.

Clyde and Vashti Muse welcome guests to the Christmas Open House as they entertain granddaughter Lindsey-Claire.

Homecoming Queen Jana Beck is crowned by HCC President Dr. Clyde Muse.

Mrs. Anna Bee is presented a gift by Dr. Muse as she is named the Alumni Service Award recipient for 1992.

Academic Excellence

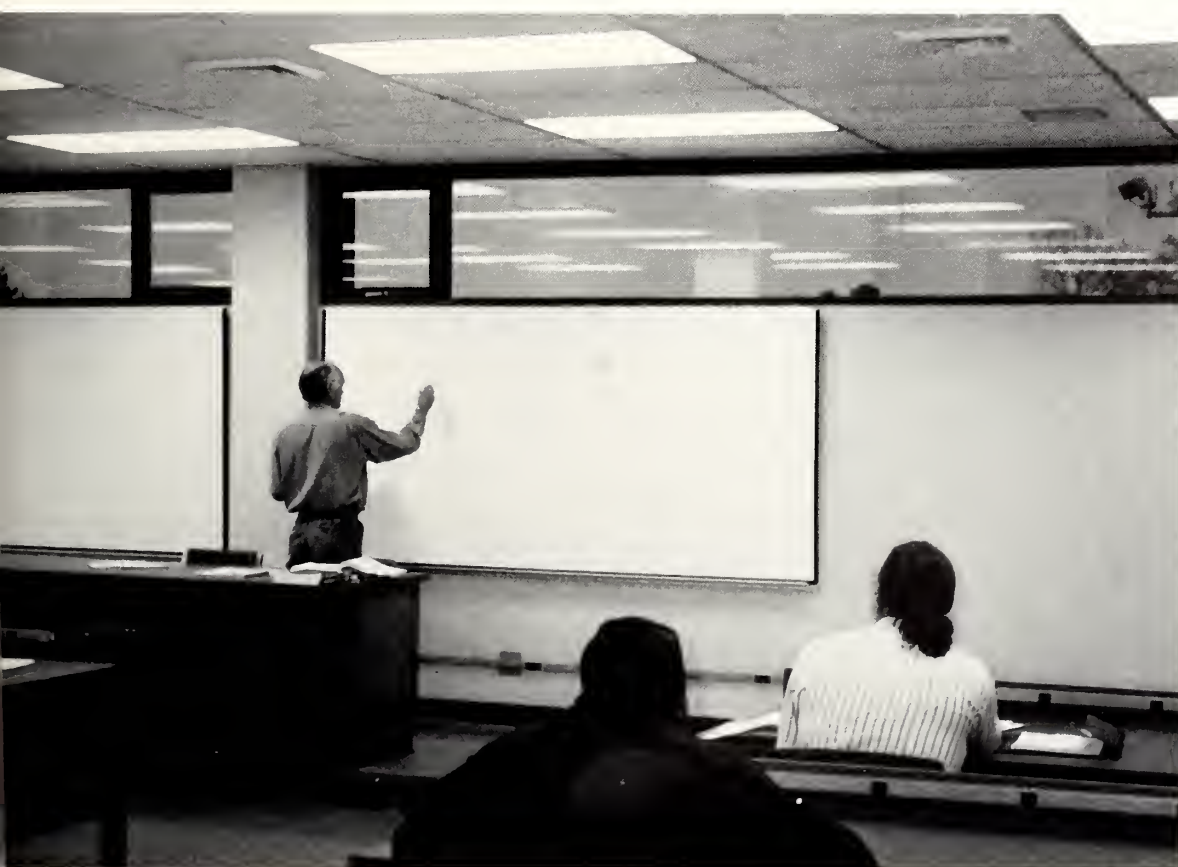

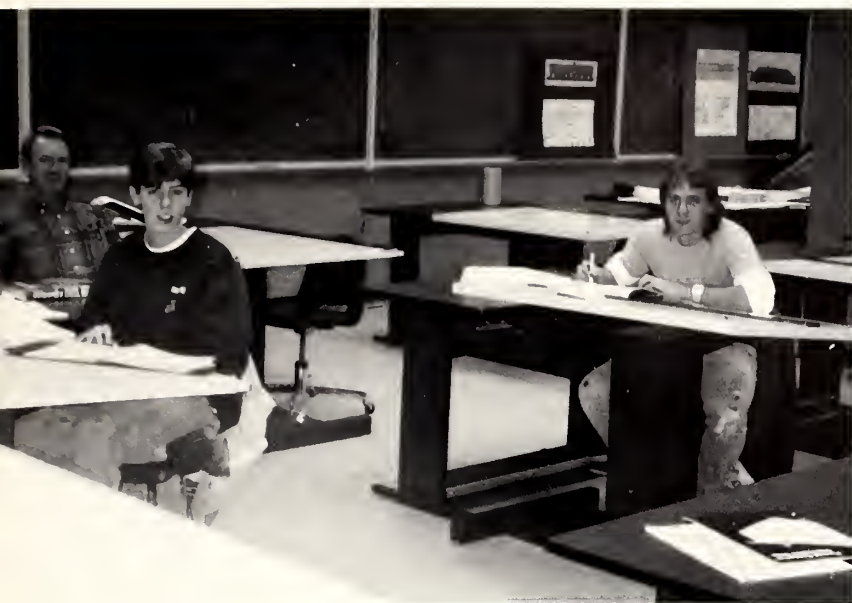

Hinds Community College has a long and proud tradition of its academic traditions. Hinds has produced many scholars, leaders on state and national levels and prominent businessmen. Hinds has been called by more than one person "The College For All People."

Hinds offers a good education at the economic convenience of a state-supported school. Hinds students also have more personal instruction than most college students because of the teacher-to-student ratio.

The Hinds Honors program is known throughout the state as a model community/junior college program. The college is continuing to offer many new scholarship opportunities to academic students.

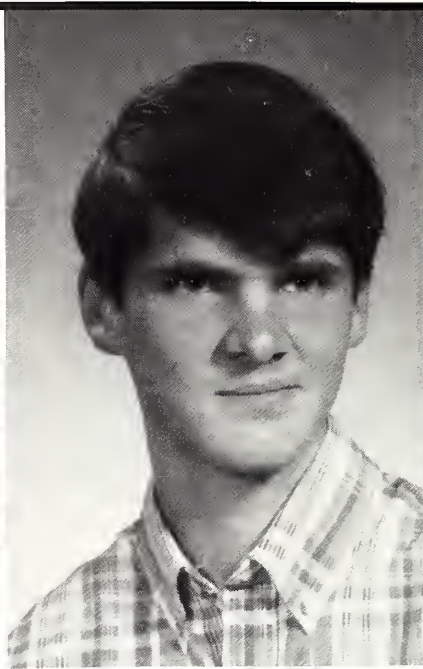

With the rich scholastic tradition and new developments the future is even brighter than the present for academic excellence at Hinds.

Levi M. Barber Jr. was at his best as a halfback for the football Eagles. He was the leading scorer when the team became State Champion in 1957. He entered Louisiana College in 1961 on a football scholarship, where he played offensive halfback and defensive cornerback. His 1961 offensive record included 78 carries with a total of 792 yards and 22 receptions for 240 yards. Defensively, he had one interception for a 58 yard touchdown, 16 solo tackles, 16 assisted tackles, and was the team's leading rusher. He coached at various schools until 1975.

Edward O. Kelson played offensive center and defensive linebacker on the Conference Championship winning Eagle football team his freshman year. As a sophomore, he played offensive and defensive tackle, and captained the team to a league championship. The same year he boxed his way to the state and Mid-South Golden Gloves light heavyweight championships. After graduating from Southern Mississippi, he coached for 14 years at Texas City High School, becoming director of athletics for Texas City Independent School District.

Walter H. Gibbs was a student at Hinds from 1931-1934. After graduation from Mississippi State in 1936, he started coaching Girls' basketball from 1936-1951, taking his 1948-49 and 1949-50 teams to win the state championships. His overall coaching record was 82-8. Besides being a remarkable coach, he served until 1980 as instructor and Vo-Tech dean.

Troy Arlis Ricks was a natural athlete who excelled in basketball all through high school and junior college, and was voted MVP and All State repeatedly. At Delta State College he was selected for the NAIB All Tournament and All American teams in 1940 and 1941, and was the leading scorer with an average of 21 points per game. He was elected to the Delta State Sports Hall of Fame in its second year. Ricks played professional basketball before becoming principal of Hinds High in 1949. He also coached basketball, obtaining a two year coaching record of 40-3. He was head basketball coach at Hinds Junior College from 1957-1970 with his 1967 team winning the College's first state championship. In 1970 he received the Distinguished Service Award from the Mississippi Association of Coaches.

Charles E. Shores was a versatile player, and alternately played most positions. In his first year, the Eagles were undefeated, and in 1947 he was named All Star and All Conference. Through the years he has served as an athletic official — 34 years with junior college football; 44 years with high school football; and 25 years with high school, college, and semi-pro American Legion baseball.

The 1992 Hinds Community College Sports Hall of Fame inducted five new members, one posthumously, at the annual induction banquet held Thursday evening, October 22, at 5:30 PM in McKenzie Arena.

Louis Strickland

ALUMNUS of the YEAR

Louis Strickland, a member of the Class of 1947 and the 1986 Sports Hall of Fame, was named 1992 Hinds Community College Alumnus of the Year. Strickland died on September 20, 1992.

Strickland, who retired in 1990 as director of the Addie McBryde Center for the Blind, in Jackson, served Hinds for many years as a member of the HCC Development Foundation Board, the Hinds Alumni Association, and the Rankin County Alumni Chapter.

A native of Benton, Mississippi, Strickland completed his last year of high school at Hinds. After serving in World War II, he returned to Hinds and the Eagle football field before transferring to Delta State University on a football scholarship.

His career included a number of years of teaching and coaching at Picayune and Brandon high schools and five years as a business owner before becoming a counselor with the Mississippi Department of Vocational Rehabilitation for the Blind, in 1967.

He became a facility specialist for the department, coordinating the evaluation and training programs at facilities for the blind throughout the state. His duties also included helping to plan and set up a number of facilities for the blind, including the Addie McBryde Center.

Strickland was active in professional and civic organizations connected with helping the blind. These include the Association for Educational and Rehabilitation of the Blind and Visually Impaired, the American Council of the Blind, and the Mississippi Association of Workers for the Blind, for which he served a term as president; in addition he held every office with the Brandon Lions Club, of Lions International, a world service organization devoted to supporting services for the blind.

Strickland is survived by his wife Bonnie, and three daughters, Sharon Cannon, Susan Crawford, and Stephanie Smith; and six grandchildren.

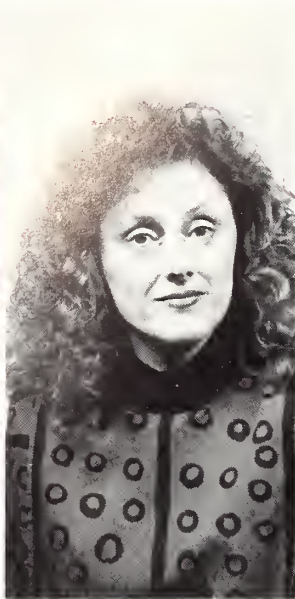

Dr. Clyde Muse presented Mrs. Louis Strickland with the "Alumnus of the Year" plaque on behalf of her late husband who was the 1992 recipient.

ALUMNI SERVICE AWARD

Anna Cowden Bee

Pioneer of Precision Dance Teams, Dean of Judges, Charm Specialist, Leader of Mississippi's Goodwill Ambassadors . . . these are a few of the ways people have tried to sum up the essence and commitment of Anna Cowden Bee, 1992 HCC Service Award recipient.

As director of the Hi-Steppers for nearly 40 years, Mrs. Bee has combined a love of dance with a love of young people, developing what Dr. Clyde Muse, HCC president, terms, "One of the best units we have to represent the College."

Under Bee's direction, the Hi-Steppers have earned the title, "Mississippi's Goodwill Ambassadors," many times over. The team's many invitations to perform arise from its exposure in a broad spectrum of venues, from local grade schools and nursing homes to business banquets; from bridge and building dedications to televised bowl games; and from state and national conventions, to World Fairs.

Throughout her years with Hinds, Bee has incorporated into the Hi-Stepper groups her enthusiasm for performing, along with her personal philosophies. Her own commitment to community service has steered the Hi-Stepper tradition of service toward such organizations as "Easter Seals" and "Toys for Tots."

Bee, who also founded, and, for 32 years has directed, the Miss Hinds Pageants, is known statewide and nationally for her advisory and adjudicating work with Miss America preliminary pageants.

Her spacious office overflows with mementos and accolades, and awards such as the 1982 Hinds Community College Distinguished Faculty Member of the Year; a 1981 Resolution by the Mississippi Legislature for contributions to the Youth of Mississippi; in 1986 Hinds Community College 3-E Award; Lifetime Membership in Easter Seals; a 1986 Resolution from the HCC Board of Trustees; and the Key to the City of Mobile, Alabama.

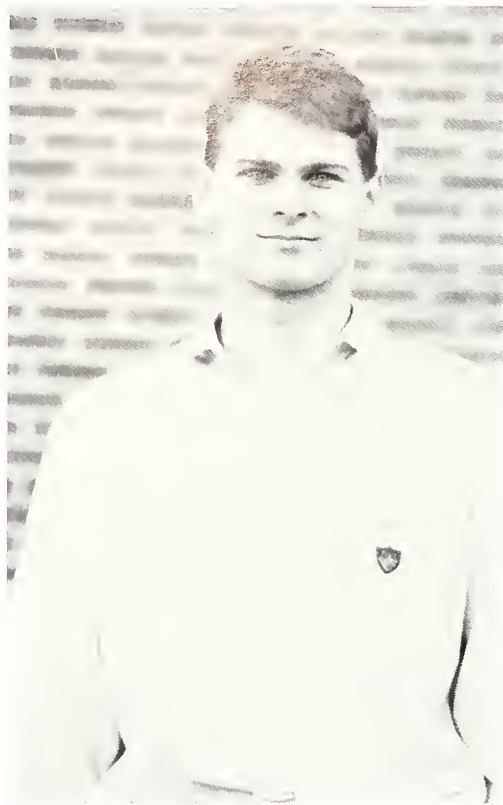

Bee has, for many years, been listed in various prestigious directories which currently include *Who's Who Among American Women*; *The World's Who's Who of Women*; *The International Register of Profiles* and *Who's Who in American Education*.

She is married to Alon Bee, Sr., a retired broadcast executive. Their son, Alon Bee, Jr., is vice president of Deposit Guaranty National Bank; and their daughter, Marty Foote, serves as a program manager with the office of Social Services, in the State Department of Human Services. The Bees have three grandchildren.

Mrs. Anna Bee displays the gift presented to her by Hinds President, Dr. Clyde Muse, at the program that honored her as the 1992 "Alumni Service Award" recipient.

75th Hinds

During the remainder of the Spring and Fall semesters of 1992, Hinds Community College continued to observe the college's "Celebration of Change" which celebrated Hinds 75th anniversary.

The original mission of our institution was to make a quality education accessible to all who wanted to work for it. For 75 years — as Hinds County Agricultural High School evolved into Hinds Junior College and then into Hinds Community College — that mission has not changed.

Various functions were conducted throughout the school year at the college's different locations to observe the celebration.

Hinds President Dr. Clyde Muse addresses faculty and staff.

Hi-Stepper alums serve cake at the Homecoming game as part of the celebration. McCarty-Holman donated \$2,000 worth of cake to Hinds during the celebration year.

Celebration

Raymond Campus Vice-President Dr. Michael Rabalais views the finished product of his idea of Cornerstone Plaque which bears the names of former and current Hinds employees.

Jackson Academic/Technical Center students take part in the 75th celebration activities.

Two Hinds Connection members dress in celebration colors as they take part in the Principals and Counselors' Workshop hosted by the Jackson ATC.

As part of the 75th celebration the Raymond Campus Phi Theta Kappa buried a time capsule that will be opened in 25 years. The capsule contained all types of articles donated by college groups.

B.J. had a fondness for rocking chairs.

B. J. FREW DAY

In late Spring of 1992 BSU Director B. J. Frew was honored with a program titled, "This Is Your Life." B.J. she has been known to thousands of Hinds' students serving as director of the BSU for 34 years at Hinds before retiring. She had also been a "Dorm Mother" for years in old M Dormitory.

She was honored with this special day, "B.J. DAY" which was attended by many friends, family and former BSU members. She was presented with a scrapbook of many letters from former members and even one from President George Bush.

A devout Alabama fan, B.J. also received a few surprise gifts as well.

Okay coach that's my job!

I love this job, you get paid to just sit here and read!

I'm glad I paid my tuition to make mud pies!

Some days you just feel like a box!

Who me? I thought you read the instructions!

We were born this way!

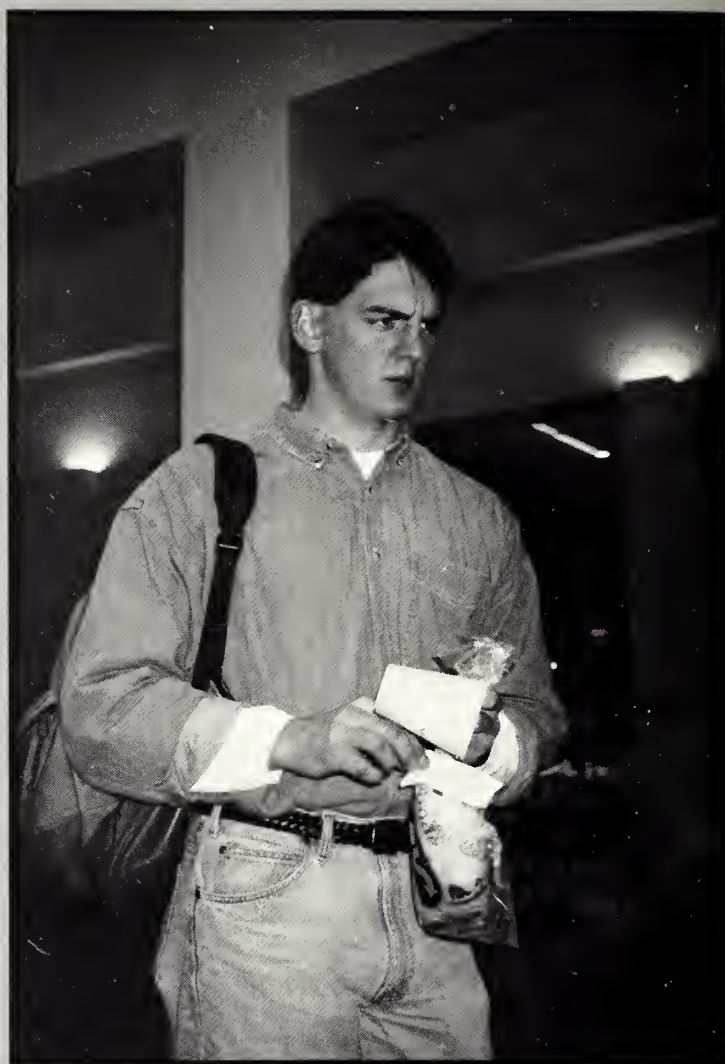

I've fallen and I can't get up!

Look! De plane! De plane!

Slow down, you are walking too fast!

Why are my feet so wet?

But it worked when Sally Field did it!

Up, Up, and away!

Where did that ball go?

So, this is college!

The 1993 EAGLE was produced by the Hinds Community College student yearbook staff. This volume was published by Taylor Publishing Company of Dallas, Texas during the spring semester of 1993. Our Taylor Publishing representatives were Ben Allen and Kathy Wright.

SPECIFICATIONS: This is a 9x12 book and contains 296 pages and is printed on 80 lb. enamel paper. A Smythe binding was used and the endsheets were screened with teal no. 19. There are up to 40 pages of four color used in this publication and spot color is used in the opening and feature section of the book.

COVER: The cover is teal with a graduating screen effect. It also has copper and a silver glitz foil on it as well. The basic type style used for the publication was Garamond Standard.

STUDIO PHOTOGRAPHY: Formal homecoming court and beauty pictures were taken by Larry Coleman. Classes, faculty and staff portraits were taken by Best Pictures of Madison, Mississippi. The Year in Review photos were by Associated Press of New York City, NY. All of the other photography was done by student photographers of the Eagle yearbook staff and Joel Walker or Tammy Bowles of the Hinds Community College Public Relations Department.

The 1993 Eagle is a student-edited yearbook produced at the Raymond Campus of Hinds Community College in Raymond, MS. The viewpoints represented in this yearbook are solely of the staff and in no way intend to reflect College policy.

Whew! This was a long and hard one! Despite all the confusion, mass hysteria, late night beatings, and general upheaval and chaos, we've finished the 76th Yearbook. We never even imagined the work that went into a college yearbook when we joined The Force, but somehow, with the help of our Staff of Many Numbers we witnessed the spawn of our creation. Try not to judge too harshly, but enjoy the humor behind every page.

We'd like to thank the people that struggled with us through those deadlines that just seemed to creep out of nowhere. The Force includes: the photographers Bill, Fred, and Joe, the Office Crew Bill, Fred, and Joe, and most of all, the only guy that knew half of what was going on — Bob, better known as "Puffy." Thanks and take it easy!

As we look back in time we will
always have this book to remember
those wonderful college days we
spent at Hinds and remember What
We Were Up To.
